  1. Coursework
  2. Self-Assessments.
- Write your first name, last name, and the date on all sheets.

- Place papers into the appropriate section of your binder in the order in which they are received:
  1. Open the binder
  2. Open the three-rings
  3. Align the three holes from the paper with the three rings in the binder
  4. Place the paper on the rings
  5. Close the rings.
- Use reinforcements on your papers as needed.
- It is your responsibility to replace any lost or missing papers since everyone will receive only one copy.
- All final copies should be legible and complete.
