## Fruitful Conversions

Directions: Use the conversion factors/relationships in the box to complete the questions that follow. **YOU MUST SHOW ALL WORK!**

2 apples = 1 pear  
5 bananas = 8 pears  
15 plums = 1 pineapple  
4 plums = 1 orange  
2 oranges = 10 grapes  
6 bananas = 20 grapes

1. How many pears are in 10 apples?

2. Thirty plums are equal to how many oranges?

3. How many plums are in 100 grapes

4. Twenty apples are equal to how many oranges?

5. How many apples are in 5 pineapples?
