

Method of Study Log

This log will help you maintain a record of the different study techniques you have attempted to use throughout the school-year. The goal is for you to take time to reflect on the effectiveness of each method used so successful techniques can be identified for continued use.

Quiz/Test Taken	Technique Used	Anticipated Grade	Grade Earned	Reflection (Discuss how effective you think it was, why, and if you would use it again.)

Quiz/Test Taken	Technique Used	Anticipated Grade	Grade Earned	Reflection (Discuss how effective you think it was, why, and if you would use it again.)
