

STUDENT PRESENTATION RECOMMENDATIONS

- ✓ Think "outside the box" in terms of how you deliver your presentation
 - Perform Skits
 - Use Music (Instruments or songs)
 - Use Videos
 - Use Activities that enables the class to move
 - Incorporate PowerPoint if possible, however:
 - Do not put too much information on one slide
 - **FIRST** concentrate on the information and not the appearance
- ✓ Be sure to have a detailed plan and an awareness of your responsibilities
- ✓ Know your material to the extent that you do not have to continually refer to your notes
- ✓ Maintain eye contact with your audience
- ✓ Use hand gestures when appropriate
- ✓ Speak clearly and at a reasonable volume
- ✓ Follow a logical sequence
- ✓ Speak with energy and confidence
- ✓ Be prepared to answer student questions
